Amendment No. 1

AMEND Senate Bill No. 510 by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 56, Chapter 7, is amended by adding the following as a new part:

56-7-3501. This part shall be known and may be cited as the "Tennessee Right to Shop Act."

56-7-3502. As used in this part:

(1) "Allowed amount" means the contractually agreed upon amount paid by a carrier to a healthcare entity participating in the carrier's network;

(2) "Commissioner" means the commissioner of commerce and insurance;

(3) "Comparable healthcare service":

(A) Means any shoppable non-emergency outpatient healthcare service or bundle of services; and

(B) Includes, but is not limited to, physical and occupational therapy services; radiology and imaging services; laboratory services; and infusion therapy;

(4) "Department" means the department of commerce and insurance;

(5) "Health plan" means health insurance coverage as defined in § 56-7-109;

(6) "Healthcare entity" means:

(A) Any healthcare facility licensed under title 33 or 68; and

(B) Any healthcare provider licensed under title 63 or 68;

(7) "Insurance carrier" or "carrier" means a health insurance entity as defined in § 56-7-109; and

(8) "Shopping and decision support program" means the program established by a carrier pursuant to this part.

56-7-3503.

(a)

(1) Beginning upon approval of the next health insurance rate filing on or after January 1, 2020, a carrier offering a health plan in this state shall implement a shopping and decision support program that provides shopping capabilities and decision support services for enrollees in a health plan. Beginning upon approval of health plans offered on or after January 1, 2021, a carrier shall provide incentives for enrollees in a health plan who elect to receive a comparable healthcare service from a network provider that is covered by the health plan and that is paid less than the average allowed amount paid by that carrier to network providers for that comparable healthcare service before and after an enrollee's out-of-pocket limit has been met.

(2) Incentives, effective January 1, 2021, may be calculated as a percentage of the difference between the amount actually paid by the carrier for a given comparable healthcare service and the average allowed amount for that service. Incentives may be provided as a cash payment to the enrollee, a credit toward the enrollee's annual in-network deductible and out-of-pocket limit, or a credit or reduction of a premium, a copayment, cost sharing, or a deductible. (3) The shopping and decision support program must provide each enrollee with at least fifty percent (50%) of the carrier's saved costs for each comparable healthcare service resulting from shopping by the enrollee. However, the shopping and decision support program may exclude incentive payments, credits, or reductions for services where the savings to the carrier is fifty dollars (\$50.00) or less.

(4) The average allowed amount must be based on the actual allowed amounts paid to network providers under the enrollee's health plan within a reasonable timeframe, not to exceed one (1) year.

(5) Annually, at enrollment or renewal, a carrier shall provide, at a minimum, notice to enrollees of the right to obtain information described in subdivision (a)(4) and the process for obtaining the information, and a description of how to earn the incentives. A carrier shall provide this notice on the carrier's website and in health plan materials provided to enrollees.

(b) An insurance carrier shall make the shopping and decision support program available as a component of all health plans offered by the carrier in this state.

(c) Prior to offering the shopping and decision support program to any enrollee, a carrier shall file a description of the shopping and decision support program established by the carrier pursuant to this section with the department. The insurance carrier has discretion as to the appropriate format for providing the

information required and may customize the format in order to provide the most relevant information necessary to permit the department to determine compliance. The department may review the filing made by the carrier to determine if the carrier's shopping and decision support program complies with this section.

(d)

(1) Beginning January 1, 2022, a carrier shall annually file with the department for the most recent calendar year the total number of comparable healthcare service incentive payments made pursuant to this section, the use of comparable healthcare services by category of service for which comparable healthcare service incentive payments were made, the total incentive payments made to enrollees, the average amount of incentive payments made by service for the transactions, and the total number and percentage of a carrier's enrollees that participated in the transactions.

(2) Beginning in 2022 and by April 1 of each year thereafter, the commissioner shall submit an aggregate report for all carriers filing the information required by this subsection (d) to the commerce and labor committee of the senate and the insurance committee of the house of representatives. The commissioner may set reasonable limits on the annual reporting requirements on carriers to focus on the more popular comparable healthcare services.

56-7-3504.

(a) Beginning upon approval of the next health insurance rate filing on or after January 1, 2020, a carrier offering a health plan in this state shall comply with this section.

(b)

(1) A carrier shall make available an interactive member portal and a toll-free phone number that enables an enrollee to request and obtain from the carrier information on the average payments made by the carrier to network entities or providers for comparable healthcare services, as well as quality data for those providers, to the extent available.

(2) The member portal and toll-free phone number must allow an enrollee seeking information about the cost of a particular healthcare service to estimate out-of-pocket costs applicable to that enrollee's health plan and compare the average allowed amount paid to a network provider for the procedure or service under the enrollee's health plan within a reasonable timeframe not to exceed one (1) year.

(3) The out-of-pocket estimate must provide a good faith estimate based on the information provided by the enrollee or the enrollee's provider of the amount the enrollee will be responsible to pay out-of-pocket for a proposed non-emergency procedure or service that is determined by the carrier to be a medically necessary covered benefit from a carrier's network provider, including any copayment, deductible, coinsurance, or other out-of-pocket amount for any covered benefit, based on the information available to the carrier at the time the request is made, and subject to further medical necessity review by the carrier. A carrier shall contract with a third-party vendor to comply with this subsection (b).

(4) A carrier shall provide the information described in this subsection (b) by the carrier's member portal and toll-free phone number even if the enrollee requesting the information has exceeded the enrollee's deductible or out-of-pocket costs according to the enrollee's health plan. Existing transparency mechanisms or programs that estimate out-of-pocket costs for enrollees still within their deductible qualify under this section as long as those mechanisms or programs continue to disclose the estimated average allowed amount even after an enrollee has exceeded the enrollee's deductible as well as any estimated out-of-pocket cost.

(c) Nothing in this section prohibits a carrier from imposing cost-sharing requirements disclosed in the enrollee's policy, contract, or certificate of coverage for unforeseen healthcare services that arise out of the non-emergency procedure or service or for a procedure or service provided to an enrollee that was not included in the original estimate.

(d) A carrier shall notify an enrollee that the provided costs are estimated costs, and that the actual amount the enrollee will be responsible to pay may vary due to unforeseen services that arise out of the proposed non-emergency procedure or service.

56-7-3505.

At the request of a patient, a healthcare entity shall provide a copy of an order for a comparable healthcare service within two (2) business days of the request.

56-7-3506.

The state insurance committee, created by § 8-27-201, shall publish a report no later than January 1, 2020, on examples of shared savings incentive programs that directly incentivize current enrollees and retirees to shop for lower cost care in other states and consider implementation of such a program in this state. The state insurance committee may implement such a program as part of the next open enrollment period if it is believed to be cost effective. The state

insurance committee shall share the report in writing to the government operations committees in both the senate and house of representatives.

56-7-3507.

The commissioner is authorized to promulgate rules as necessary to implement this part. The rules must be promulgated in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

56-7-3508.

Except for § 56-7-3506, and notwithstanding § 56-7-1005, this part does not apply to:

(1) Any group insurance plan offered under title 8, chapter 27;

(2) Any managed care organization contracting with the state to provide insurance through the TennCare program or the CoverKids program; or

(3) Any plan described in Section 1251 of the federal Patient Protection and Affordable Care Act (42 U.S.C. § 18011) and Section 2301 of the federal Health Care and Education Reconciliation Act.

56-7-3509.

Notwithstanding this part, the total value of incentives offered to any one (1) enrollee must not exceed six hundred dollars (\$600) in any year.

SECTION 2. For purposes of promulgating rules, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect January 1, 2020, the public welfare requiring it, and shall apply to all health plans entered into or renewed on or after that date.

Amendment No. 1

AMEND House Bill No. 498 by deleting all language after the caption and substituting instead the following:

WHEREAS, families caring for a child with disabilities or complex medical needs at home are often burdened with the excessive financial and personal costs of providing continuous care; and

WHEREAS, private insurance companies rarely cover essential, long-term medical care, specialized equipment and therapies, and respite services needed by

these children and their families, and often establish monetary limits that are well below the level required by a severely disabled child; and

WHEREAS, these children would qualify for Medicaid if institutionalized, but their families may not meet the income or resource thresholds for government assistance if they choose to care for a severely disabled child at home; and

WHEREAS, private insurance premiums may be unaffordable for low and middle income families and may not cover essential wraparound benefits such as respite care; and

WHEREAS, assisting these families in purchasing and maintaining private insurance can help delay the need for Medicaid eligibility and services and allow more children and their families to be served with available appropriations; and

WHEREAS, providing essential wraparound services for children with disabilities and their families may help to sustain family caregiving, plan and prepare the child for transition to employment and community living with as much independence as possible, and delay the need for Medicaid eligibility and services; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 71, Chapter 5, Part 1, is amended by adding the following new section:

(a) The commissioner of finance and administration is directed to submit, no later than one hundred twenty (120) days after the effective date of this act, to the federal centers for medicare and medicaid services a waiver or waivers pursuant to Section 1115 of the Social Security Act for the purpose of establishing a distinct Katie Beckett program. Any premiums must take into account any amounts paid by a family for private insurance also provided for the child.

(c) Part B of the Katie Beckett program:

(1) Must be administered by the department of intellectual and developmental disabilities;

(2) Must be designed as a medicaid diversion plan and offer a capped package of essential wraparound services and supports as well as premium assistance, using a sliding fee scale based on parent income, for a child who is under eighteen (18) years of age and:

(4) Must determine eligibility for services based solely upon medical necessity; and

(5) Must provide children applying for or enrolled in Part B of the program with the same appeal rights accorded all other TennCare and department of intellectual and developmental disabilities applicants and enrollees.

(d) If the bureau of TennCare finds it cost-effective and all necessary federal waivers are obtained, then parents or guardians of a child meeting the criteria in subsection (b) or (c) may be authorized to hire and manage care providers for specified wraparound services using a consumer direction model.

(e) Beginning February 1, 2020, and no later than February 1 of each year thereafter, the bureau of TennCare and the department of intellectual and developmental disabilities shall issue an annual joint report to the insurance committee of the house of representatives and the health and welfare committee of the senate on the status of the Katie Beckett program that includes, but is not limited to, the following information:

WHEREAS, these companies often must temporarily bring into the State resources, property, and personnel from other states that previously have had no connection to the State to expedite the often enormous and overwhelming task of restoring and repairing communications facilities and other critical infrastructure facilities in the State; and

WHEREAS, during such time of operating in the State on a temporary basis solely for purposes of helping the State recover from the proclaimed state of emergency, the General Assembly finds these companies and their individual employees should not be burdened by taxes, registrations, licensing, or any other "regular course of business" requirements as a result of such activities, consistent with the intent of Tennessee Code Annotated, Section 58-2-102 and the treatment afforded to out-of-state resources and workers temporarily in the State under Tennessee Code Annotated, Section 58-2-403; now, therefore,

The state board of education, in its rules and regulations, shall require that all alternative school classrooms have working two-way communication systems making it possible for teachers or other employees to notify a principal, supervisor or other administrator that there is an emergency. Teachers and other employees shall be notified of emergency procedures prior to the beginning of classes for any school year.

(2) The state board of education shall provide a curriculum for alternative schools to ensure students receive specialized attention needed to maximize student success. Alternative schools shall offer alternative learning environments in which students are offered a variety of educational opportunities, such as learning at different rates of time or utilizing different, but successful, learning strategies, techniques and tools.

(g) Notwithstanding this section or other law to the contrary, local boards of education may establish evening alternative schools for students in grades six through twelve (6-12).

(h)

(1) LEAs establishing alternative schools or contracting for the operation of alternative schools shall develop and implement formal transition plans for the integration of students from regular schools to alternative schools and from alternative schools to regular schools. The

The published ending time for auctions conducted under this chapter on an internet-based bidding platform and the published start time for an in-person auction must be between the hours of nine o'clock a.m. (9:00 a.m.) and seven o'clock p.m. (7:00 p.m.) of the day fixed in the notice or advertisement. The day fixed may be any day Monday through Saturday, but must not be fixed on a state or federal legal holiday. As used in this section, "public sale" includes auctions on internet-based bidding platforms, in-person, on-site, or off-site auctions, and other accepted auction methods, so long as the auctions are open for participation by the public at large. The court, in its discretion, may impose additional conditions or procedures upon the sale of property as are reasonably necessary.

SECTION 3. Tennessee Code Annotated, Section 55-17-120, is amended by adding the following as a new subsection:

When motor vehicles are sold incidentally at a bona fide going-out-of-business sale, no license as a motor vehicle dealer is required to sell the vehicles at auction if:

(1) All vehicles for sale were owned and titled in the name of the business for at least one (1) year prior to the going-out-of-business sale;

(2) The auctioneer gives a fourteen-day prior written notification to the motor vehicle commission providing the time and place of the sale and a list of items to be sold; and

(3) The sale does not violate the Tennessee Consumer Protection Act of 1977, compiled in title 47, chapter 18, part 1.

(3) Has obtained a high school diploma, general equivalency diploma (GED), or HiSET® diploma.

(d) The commission may require other proof as necessary, through the application or otherwise, to assess the honesty, trustworthiness, integrity, reputation, and competency of the auctioneer applicant.

(e) An individual who meets the requirements of subsections (b)-(d) may take an examination prescribed by the commission to determine the individual's qualifications. The examination must include, but not be limited to, reading, writing, spelling, elementary arithmetic, elementary principles of land economics, ethics, the law of this state relating to bulk sales, auctions and brokerage, and the provisions of this chapter. (2) Reinstate a license subject to the applicant's compliance with reasonable conditions that the commission may prescribe, including payment of an additional reasonable fee to be set by the commission.

(k) When fees are remitted by mail to the commission, the date of payment is determined by the official postmark of the mail.

(l) When an affiliate auctioneer's employment with an auctioneer is terminated for any reason, the auctioneer shall immediately deliver, or send by registered mail, the affiliate auctioneer's license to the commission. The affiliate auctioneer shall not engage in the business of an auctioneer until the affiliate auctioneer receives a new license and pocket card for the unexpired term bearing the name and address of the new employer. The fee for the new license and pocket card is set by the commission.

(m) No more than one (1) license may be issued to an affiliate auctioneer to be in effect at any one (1) time.

(n) No license issued by the commission may authorize the licensee to engage in business at a location other than what is stated on the license. A licensee shall immediately notify the commission in writing in the event of a change of business location. The written notice must be accompanied by the current license and pocket card and a fee as set by the commission.

The sponsor is responsible for the actions of the affiliate at all other times.

(q) The commission may deny an applicant for an affiliate auctioneer or auctioneer the right to take an examination for a period of up to two (2) years if the applicant is found by the commission to have conducted business within this state as an affiliate auctioneer or auctioneer without being licensed.

Amendment No. 1

AMEND House Bill No. 786 by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 56-7-3103(a)(3), is amended by deleting the subdivision and substituting the following:

(3) Any clerical or recordkeeping error identified during an audit, such as a typographical error, scrivener's error, omission, or computer error, does not, in and of itself, constitute fraud or intentional misrepresentation and must not be the basis of a recoupment unless the error results in an actual overpayment to the pharmacy or the wrong medication being dispensed to the patient. Notwithstanding any other law to the contrary, no such claim is subject to criminal penalties without proof of intent to commit fraud;

SECTION 2. Tennessee Code Annotated, Section 56-7-3103(a)(7), is amended by deleting the subdivision and substituting the following:

(7) A pharmacist or pharmacy must be allowed the length of time described in the pharmacist's or pharmacy's contract or provider manual, whichever is applicable, which must not be less than thirty (30) days, following receipt of the preliminary audit report in which to produce documentation to address any discrepancy found during an audit. A pharmacist or pharmacy may correct a clerical or recordkeeping error by submitting an amended claim during the designated time frame if the prescription was dispensed according to the requirements of state and federal law. If the pharmacist's or pharmacy's contract or provider manual does not specify the allowed length of time for the pharmacist or pharmacy to address any discrepancy found in the audit following receipt of the preliminary report, then that pharmacist or pharmacy must be allowed no less than thirty (30) days following receipt of the preliminary audit report to respond and produce documentation;

SECTION 3. Tennessee Code Annotated, Section 56-7-3103(a), is amended by adding the following as a new subdivision:

() Any recoupment related to clerical or recordkeeping errors must not include the cost of the drug or dispensed product, except in cases of the following:

(A) Fraud or other intentional and willful misrepresentation;

(B) Dispensing in excess of the pharmacy benefits contract established by the plan sponsor; or

(C) Prescriptions not filled in accordance with the prescriber's order.

SECTION 4. Tennessee Code Annotated, Title 56, Chapter 7, Part 31, is amended by adding the following as new sections:

56-7-3115.

A covered entity or pharmacy benefits manager shall not charge a pharmacist or a pharmacy a fee related to a claim unless it is apparent at the time of claim processing and is reported on the remittance advice of an adjudicated claim. This section does not prohibit a covered entity or pharmacy benefits manager from entering into an agreement with a pharmacy or pharmacist which includes prospective performance-based incentives and increases payment to pharmacies or pharmacists.

56-7-3116.

A covered entity or pharmacy benefits manager shall not include any term or condition in a contract with a pharmacy or pharmacist that requires a pharmacist to dispense a drug or other product to a patient contrary to a pharmacist's professional judgment.

56-7-3117.

A covered entity or pharmacy benefits manager shall disclose to a pharmacy or pharmacist in its network, at least thirty (30) days before the date the change becomes effective, any material change to a contract provision that affects the terms of reimbursement, the process for verifying benefits and eligibility, the dispute resolution procedure, the procedure for verifying drugs included in the formulary, and the procedure for contract termination. Nothing in this section prohibits a covered entity or pharmacy benefits manager from taking action without notice against a pharmacy or pharmacist in its network for a fraudulent claim or service.

56-7-3118.

(a) Each contract between a covered entity or pharmacy benefits manager and a pharmacist or pharmacy must be mutually agreed upon and must outline the terms and conditions for the provision of pharmacy services.

(b) A covered entity or pharmacy benefits manager shall not cause or knowingly permit the use of any advertisement, promotion, solicitation, representation, proposal, or offer that is untrue, deceptive, or misleading.

(c) Removal of a pharmacy or a pharmacist from the network of a covered entity or pharmacy benefits manager does not release the covered entity or pharmacy benefits manager from the obligation to make any payment due to the pharmacy or pharmacist for services that have been properly rendered prior to the pharmacy being removed from the network. Properly rendered services do not include any services related to a fraudulent claim or intentional misrepresentation.

(d) A covered entity or pharmacy benefits manager shall not engage in a pattern or practice of reimbursing pharmacies or pharmacists in this state less than the amount that the pharmacy benefits manager reimburses a pharmacy benefits manager affiliate for providing the same drug or dispensed product or service.

SECTION 5. This act shall take effect on July 1, 2019, the public welfare requiring it, and applies to agreements entered into, amended, or renewed on or after that date.

The annual adjustments are effective immediately upon notification of the adjustment from the department of revenue to the municipality or industrial development corporation.

SECTION 7.

(a) Notwithstanding the allocations provided for in § 67-6-103(a), if a municipality or industrial development corporation finances, constructs, leases, equips, renovates, assists, incents, or acquires an extraordinary retail or tourism facility or a project in a certified district, then seventy-five percent (75%) of state sales and use tax collected in the district in excess of base tax revenues must be apportioned and distributed to the municipality in an amount equal to the incremental increase in state sales and use taxes derived from the sale of goods, products, and services within the district in excess of base tax revenues.

(b) Apportionment and distribution according to subsection (a) must continue for a period of thirty (30) years, or until the date on which the entire cost of the economic development project, including any principal and interest on indebtedness, including refunding indebtedness of the municipality or industrial development corporation related to the development of the project, are fully paid, whichever occurs first. Following the expiration of this thirty-year period, or upon the date on which such cost has been fully paid, whichever is sooner, all amounts that would have otherwise been distributed to the municipality or retained in lieu of distribution shall be allocated as provided elsewhere without regard to this chapter.

(c) Tax revenue distributed to the municipality pursuant to this chapter is for the exclusive use of the municipality or the industrial development corporation formally designated by the municipality for payment of the cost of the economic development project, including principal and interest on indebtedness, including refunding indebtedness of the municipality or industrial development corporation related to the development of the project. The department of revenue shall apportion the payment to the municipality within ninety (90) days of the end of each fiscal year for which the municipality is entitled to receive an allocation and payment pursuant to this chapter.

SECTION 8. An eligible municipality in which a district is located is authorized to delegate to any industrial development corporation within the county or counties where the municipality is located the authority to carry out all or part of the project, to issue revenue bonds to finance a project within a district, and to incur cost for the project. The municipality may enter into an agreement with an industrial development corporation in which the municipality agrees to promptly pay to the industrial development corporation the tax revenues received pursuant to this chapter sufficient to service the repayment of the bonds and costs incurred by the industrial development corporation for the project. Upon receipt, that portion of tax revenues must be held in trust by the municipality for the benefit of the industrial development corporation.

SECTION 9. Any bonds, notes, refunding bonds, or other indebtedness relative to the cost of an economic development project must not be issued for a term longer than thirty (30) years, and the municipality or industrial development corporation may pledge all proceeds or taxes it receives pursuant to this chapter to the payment of principal and interest on the bonds, notes, or other indebtedness. The thirty-year period in this section runs concurrently with the time limitation established in Section 7 of this act.

SECTION 10. Prior to the issuance of any bonds to finance the cost of an economic development project that will be repaid in whole or part from apportionments under this chapter, the municipality or industrial development corporation issuing the bonds shall submit a proposed debt amortization schedule for the bonds to the commissioner for approval. The schedule must show the anticipated contribution to be made to the annual debt service for the bonds from the apportionment of sales and use taxes pursuant to this chapter and all other sources. After the date of issuance of the bonds, the municipality shall continue to contribute each year thereafter until the bonds are retired or a sufficient sinking fund has been established for their retirement.

SECTION 11. A municipality may, including through an industrial development corporation, limit, condition, or provide incentives or financial support in the district as it deems appropriate, including the requirement that the benefited property owners participate in the repayment of indebtedness due to district formation in an amount equal to twenty-five percent (25%) of the property tax for the real property owned by the property owner in the district each year, for the length of time as the municipality receives an appropriation of sales and use tax in accordance with this chapter and the property owner provides a lien on the property for such repayment. A municipality shall not provide financial assistance for the location or relocation of existing retailers located within a fifteen-mile radius of the district, if the existing location is within this state, unless the sales floor space is increased by thirty-five percent (35%) or more from that of the existing store. A municipality may allocate some or all of the incremental increase in property tax revenue directly as a result of the development within the district to pay for costs associated with the district formation, economic development projects, or extraordinary retail or tourism projects within the district.

SECTION 12. Notwithstanding any law to the contrary, the municipality and the industrial development corporation may exercise all power and rights, express or implied, granted by this chapter.

SECTION 13. Tennessee Code Annotated, Section 7-53-101(15), is amended by adding the following new, appropriately designated subdivision:

() Any economic development project as defined in the chapter created by Section 1;

SECTION 14. Tennessee Code Annotated, Section 67-6-103, is amended by adding the following new, appropriately designated subsection:

() Notwithstanding the provisions of Section 7 of this act to the contrary, no portion of the revenue derived from the increase in the rate of sales and use tax allocated to educational purposes pursuant to Acts 1992, chapter 529, § 9, and no portion of the revenue derived from the increase in the rate of sales and use tax from six percent (6%) to seven percent (7%) contained in Acts 2002, chapter 856, § 4, shall be distributed to the municipality. The revenue must be allocated as provided in Acts 1992, chapter 529 and Acts 2002, chapter 856, respectively.

(a)

(1)

(A) Any relative, conservator, or agent of the Tennessee commission on aging and disability; designated agency or assign of the relative, conservator, or commission; or attorney ad litem having personal knowledge that an adult has been the subject of a violation of § 39-15-502, § 39-15-507, § 39-15-508, § 39-15-510, § 39-15-511, or § 39-15-512, or that such adult is threatened with or placed in fear of a violation of any of those sections, may seek relief for the adult pursuant to this section by filing a sworn petition with any court having jurisdiction under this part alleging that the respondent has violated or threatens to violate § 39-15-502, § 39-15-507, § 39-15-508, § 39-15-510, § 39-15-511, or § 39-15-512, regardless of the existence of any other remedy at law.

(B) The petition must allege facts, based upon personal knowledge of the petitioner, that the adult either lacks the capacity to consent or that appearing in court to petition on the adult's own behalf would pose an undue burden on the adult.

(C) An elderly or vulnerable adult, who has been the subject of a violation of § 39-15-502, § 39-15-507, § 39-15-508, § 39-15-510, § 39-15-511, or § 39-15-512, or has been threatened with or placed in fear of a violation of any of those sections, may seek relief pursuant to this section by filing a sworn petition with any court having jurisdiction under this part alleging that the respondent has violated or threatens to violate § 39-15-502, § 39-15-507, § 39-15-508, § 39-15-510, § 39-15-511, or § 39-15-512, regardless of the existence of any other remedy at law.

(D)

(i) Notwithstanding subdivisions (a)(1)(A) and (C), and for good cause shown, the court may issue an ex parte order of protection pursuant to this section upon a sworn petition filed by a law enforcement officer responding to an incident involving an elderly or vulnerable adult victim who asserts in the petition reasonable grounds to believe that the adult is in immediate and present danger of abuse, neglect, financial exploitation, or sexual exploitation as defined in § 39-15-501, and that the adult either has consented to the filing or lacks the capacity to consent; provided, that the person on whose behalf the law enforcement officer seeks the ex parte order of protection is considered the petitioner for purposes of this section. The court may waive any court costs, taxes, or fees for obtaining an order of protection upon a finding that the individual for whose benefit an order of protection has been sought is indigent. If a third party seeking an order of protection represents to the court under oath that the individual for whose benefit the order of protection has been sought is indigent, the court will presume that the individual for whose benefit the order of protection has been sought is indigent absent clear and convincing evidence to the contrary.

(ii) The law enforcement officer may seek on behalf of the adult the ex parte order regardless of the time of day and regardless of whether an arrest has been made.

(iii) If an ex parte order is issued pursuant to this section outside of the court's normal operating hours, the law enforcement officer, judge, or judicial official shall cause the petition and order to be filed with the court as soon as practicable after issuance, but no later than two (2) business days after issuance; and

(iv) Law enforcement officers shall not be subject to civil liability under this section for failure to file a petition or for any statement made or act performed in filing the petition, if done in good faith.

(E) Venue for a petition for an order of protection, and all other matters relating to orders of protection, is in the county where the respondent resides or the county in which the violation of § 39-15-502, § 39-15-507, § 39-15-508, § 39-15-510, § 39-15-511, or § 39-15-512 occurred or is threatened to occur. If the

respondent is not a resident of this state, the petition may be filed in the county where the adult resides.

(2)

(A) Pursuant to subdivision (a)(1)(A), the court may enter an immediate ex parte order of protection against the respondent if the petition alleges upon personal knowledge of the petitioner, and the court finds in its ex parte order, that the adult lacks capacity to consent or that the adult lacks the ability to be present to petition on their own behalf and is in immediate danger of abuse, neglect, financial exploitation, or sexual exploitation.

(B) Pursuant to subdivision (a)(1)(C), the court may enter an immediate ex parte order of protection against the respondent if the court finds in its ex parte order that the elderly adult is in immediate danger of abuse, neglect, financial exploitation, or sexual exploitation.

(C) Pursuant to subdivision (a)(1)(D), the court may enter an immediate ex parte order of protection against the respondent if the court finds in its ex parte order that the elderly adult is in immediate and present danger of abuse, neglect, financial exploitation, or sexual exploitation, and that the adult has either consented to the filing or lacks the capacity to consent.

(3) The petition and any ex parte order issued pursuant to this section shall be personally served upon the respondent, and if filed pursuant to subdivision (a)(1)(A) or (a)(1)(D), upon the adult. If the respondent is not a resident of this state, the ex parte order must be served pursuant to §§ 20-2-215 and 20-2-216.

(4) The clerk of the court shall send written notice of the filing of the petition and copies of the petition and the ex parte order of protection against the respondent, if any, to the adult protective services unit of the department of human services in the county where the petition is filed. The department is not responsible for court costs, costs of representation, or costs for a guardian ad litem related to a petition for an ex parte order of protection, or any ex parte order of protection issued pursuant to this section. The department has a right to intervene in the proceeding, but is not otherwise required to initiate any legal action as a result of such notice. The department may, at any time, file a petition pursuant to § 71-6-107 if the department determines the adult who is the subject of a petition for an order of protection is in need of protective services.

(5)

(A) Within fifteen (15) days of service of an ex parte order of protection against the respondent, a hearing must be held, at

which time the court shall either dissolve any ex parte order that has been issued, or shall, if the petitioner has proven the allegations made pursuant to subdivision (a)(1)(A), (a)(1)(C), or (a)(1)(D), by a preponderance of the evidence, extend the order of protection for a definite period of time, not to exceed one (1) year, unless a further hearing on the continuation of such order is requested by the adult, the respondent, or the petitioner; in which case, on proper showing of cause, such order may be continued for a further definite period of one (1) year.

(B) Any ex parte order of protection shall be in effect until the time of the hearing and, if the hearing is held within fifteen (15) days of service of such order, the ex parte order continues in effect until the entry of any subsequent order of protection, proceedings under title 34, chapters 1-3, are concluded, or the order of protection is dissolved. If no ex parte order of protection has been issued as of the time of the hearing, and the petitioner has proven the allegations made pursuant to subdivision (a)(1)(A), (a)(1)(C), or (a)(1)(D) by a preponderance of the evidence, the court may, at that time, issue an order of protection for a definite period of time, not to exceed one (1) year.

(C) The court shall cause a copy of the petition and notice of the date set for the hearing on such petition, as well as a copy of any ex parte order of protection, to be served upon the respondent, and if filed pursuant to subdivision (a)(1)(A) or (a)(1)(D), upon the adult at least three (3) days prior to such hearing. Such notice shall advise the respondent and the adult that each may be represented by counsel. The court may appoint a guardian ad litem under § 34-1-107.

(D) Within the time the order of protection is in effect, any court with jurisdiction under this part may modify the order of protection, either upon the court's own motion or upon motion of the adult, the respondent, or the petitioner.

(b) An order of protection granted pursuant to this section may:

(1) Order the respondent to refrain from committing a violation of this part or title 39, chapter 15, part 5 against an adult;

(2) Order the respondent to refrain from threatening to misappropriate or further misappropriating any moneys, state or federal benefits, retirement funds, or any other personal or real property belonging to the adult;

(3) Order the return to the adult, the adult's caretaker, conservator, or other fiduciary any moneys, state or federal benefits, retirement funds, or any other personal or real property belonging to the

adult obtained by the respondent as a result of exploitation of the adult or as a result of any other misappropriation of such funds or property of the adult by the respondent. The court may enter judgment against the respondent for the repayment or return to the adult or the adult's caretaker, conservator, or other fiduciary of any moneys, government benefits, retirement funds, or any other personal or real property belonging to the adult that are under the control of or that have been obtained by the respondent as a result of exploitation or misappropriation from the adult. This subdivision (b)(3) does not preclude an action under § 71-6-120. The court may, if the amount in question exceeds ten thousand dollars (\$10,000), require any caretaker or custodian of funds appointed under this section to post a bond as required by § 34-1-105;

(4) Enjoin the respondent from providing care for an adult, or working in any situation involving the care of an adult, whether such action occurs in an institutional setting, in any type of group home or foster care arrangement serving adults, and regardless of whether such person, facility, or arrangement serving adults is licensed to provide care for adults;

(5) Prohibit the respondent from telephoning, contacting, or otherwise communicating with the adult, directly or indirectly; and

(6) Subject to the limitations otherwise stated in this section, grant any other relief deemed necessary by the court to protect an adult.

(c) All orders of protection shall be effective for a fixed period of time, not to exceed one (1) year. The court may modify its order at any time upon subsequent motion filed by any party together with an affidavit showing a change in circumstances sufficient to warrant the modification. The petitioner, respondent, adult, or the court on its own motion may commence a proceeding under title 34, chapters 1-3 to determine whether a fiduciary or conservator should be appointed, if any party alleges that the conditions giving rise to the order of protection continue or may continue beyond the one (1) year.

(d)

(1) If the respondent and the adult have been served with a copy of the petition filed pursuant to subdivision (a)(1)(A) or (a)(1)(D) and notice of hearing, the order of protection is effective when the order is entered. For purposes of this subdivision (d)(1), an order is considered entered once a hearing is conducted and such order is signed by:

(A) The judge and all parties or counsel;

(B) The judge and one (1) party or counsel and the order contains a certificate of counsel that a copy of the proposed order has been served on all other parties or counsel; or

(C) The judge and the order contains a certificate of the clerk that a copy has been served on all other parties or counsel.

(2) Service upon a party or counsel must be made by delivering to such party or counsel a copy of the order of protection, or by the clerk mailing it to the party's last known address. In the event the party's last known address is unknown and cannot be ascertained upon diligent inquiry, the certificate of service must so state. Service by mail is complete upon mailing.

(3) If the respondent and the adult have been served with a copy of the petition filed pursuant to subdivision (a)(1)(A) or (a)(1)(D) and notice of hearing, an order of protection issued pursuant to this part after a hearing shall be in full force and effect against the respondent from the time it is entered, regardless of whether the respondent is present at the hearing.

(4) A copy of any order of protection and any subsequent modifications or dismissal must be issued by the clerk of the court to the petitioner, the respondent, and the local law enforcement agencies having jurisdiction in the area where the adult resides. Upon receipt of the copy of the order of protection or dismissal from the issuing court or clerk's office, the local law enforcement agency shall take any necessary action to immediately transmit it to the national crime information center.

(5) Upon violation of an order of protection entered pursuant to this section, a court may order any appropriate punishment or relief as provided for in § 36-3-610.

(e)

(1) It is an offense to knowingly violate an order of protection issued pursuant to this section. A law enforcement officer may arrest a respondent who is the subject of an order of protection issued pursuant to this section with or without warrant.

(2) In order to constitute a violation of this section:

(A) The person must have received notice of the request for an order of protection;

(B) The person must have had an opportunity to appear and be heard in connection with the order of protection or restraining order; and

(C) The court must have made specific findings of fact in the order of protection that the person committed a violation of this part.

(3) Any law enforcement officer shall arrest the respondent without a warrant if:

(A) The officer has proper jurisdiction over the area in which the violation occurred;

(B) The officer has reasonable cause to believe the respondent has violated or is in violation of an order of protection; and

(C) The officer has verified that an order of protection is in effect against the respondent. If necessary, the law enforcement officer may verify the existence of an order of protection by telephone or radio communication with the appropriate law enforcement department.

(4) Any person arrested for a violation of an order of protection entered pursuant to this section shall be treated as a person arrested for a violation of an order of protection issued pursuant to title 36, chapter 3, part 6.

(5) A violation of this subsection (e) is a Class A misdemeanor, and any sentence imposed is to be served consecutively to the sentence for any other offense that is based in whole or in part on the same factual allegations, unless the sentencing judge or magistrate specifically orders the sentences for the offenses arising out of the same facts to be served concurrently.

(f) Notwithstanding § 71-6-102, for purposes of this section:

The incumbent trial court judge elected pursuant to subdivision (21)(A)(ii) shall continue to serve the twenty-first judicial district until September 1, 2022, at which time the additional trial court created by subdivision (21)(A)(ii) shall be transferred to the thirty-second judicial district and presided over by a trial court judge to be elected by voters of the thirty-second judicial district at the August 2022 general election. Every eight (8) years thereafter, the

qualified voters of the thirty-second judicial district shall elect a judge or chancellor for a full eight-year term;

The district attorney general may employ additional assistant district attorneys, victim-witness coordinators, or criminal investigators; provided, that the funding for such additional positions is provided exclusively by the municipal and county governments that comprise the thirty-second judicial district;

(iii) On September 1, 2022, the office space and all state-owned furniture, equipment, supplies, books, and other such office property located in the Centerville or Hohenwald offices of the district attorney general of the twenty-first district and currently being used by the district attorney general of the twenty-first judicial district, or by one (1) of the district attorney general's assistants or investigators, shall be transferred for the use of the district attorney of the thirty-second judicial district. On and after such date, all such office space and other office property located in the Centerville and Hohenwald offices shall become the space for and property of the office of district attorney general for the thirty-second judicial district. Nothing in this subdivision (32)(B)(ii) prohibits the district attorney general from also establishing another office in the thirty-second judicial district;
